

MARSHCHAPEL MESSENGER

Keeping parents, friends and families informed

Friday 13th September, 2019 (Ref - T1 W2)

PLAYGROUND DEVELOPMENT Our new play castle was unfortunately postponed twice during the summer holidays and the team have been on site this week to start the work. Thank you for keeping your children safe around the site. As you can see, the finished castle is worth waiting for:

Week 1 progress:

Hopefully, the job will be completed next week. More details will follow.

READING CHALLENGE For every 25 times your child reads or shares a story with you at home, recorded in the reading record, children will receive a Reading Reward Certificate and they will be entered in a draw to win a £10 book token. There will be six draws each year, so get reading!

P.E. REMINDER Please remember to have a P.E. kit at school every day: white t-shirt, black or blue shorts and plimsolls (trainers for outdoor use). During the colder weather, a blue or black tracksuit may be worn. Please put PE kit in a drawstring bag to hang on the peg or in the locker.
