

Friday 6<sup>th</sup> March 2020 (Ref – T4 W2)

## BOOKS, BOOKS, BOOKS!

Thank you for your huge efforts getting children ready for World Book Day. What an amazing array of favourite book characters: happy Harry, amazed Alice, wonderful Woody and Wally, Funny Funnybones, Fantastic Mr Fox and many more. Fabulous learning with Mrs Manders and the team yesterday.

## PLEASE LET US KNOW...

If someone else is picking up your child from school, please inform us before the end of the day (01472 869075). You can always let us know when you drop off your child in the morning.

## NURSERY START AND FINISH

Our morning nursery starts at 9am and the afternoon session ends at 3pm.

## NURSERY SPARES

Our busy little people spend the sessions exploring, enquiring and enjoying the learning experiences. This can sometimes be a messy affair, especially when there are wonderful activities to investigate. We can sometimes get wet or sticky even when we wear aprons, so a spare set of clothes in your child's bag is always advisable. Thank you for your support with this.

## SPORT RELIEF MEETS HEALTHY EATING

Next Friday (13<sup>th</sup>) is Sport Relief Day. Children may come in sports gear (a £1 donation to Sport Relief) and will be playing team games in the afternoon, after a healthy fruit kebab.

We would like to make the fruity snacks in school so if you have any berries, grapes or pineapples to donate for this event, please send in on Thursday. (No apples, pears or bananas required.) The fruit kebabs will be sold for 50p and all donations will go to this worthy cause.

## SAFEGUARDING IN OUR COMMUNITY

If you have any safeguarding concerns to do with children in our community and you want to tell someone about them, the school has a Designated Safeguarding Lead professional (Mrs Turner) and Deputy Designated Safeguarding Lead professionals (Mrs Mathieson or Mrs Manders). **Please call on 01472 869075**

## ADVICE ON CORONAVIRUS

The school operates in accordance with the guidance issued by Public Health England and we monitor the daily updates. We have shared effective handwashing demonstrations with the children and encourage good personal hygiene.

The accompanying leaflet explains the appropriate action to take.

If you have any concerns or queries, please contact Mrs Turner, or in her absence, Mrs Mathieson/Mrs Manders.
