

# MARSHCHAPEL MESSENGER

Keeping parents, friends and families informed

Friday 26th April, 2019 (Ref - T5 W1)

**GREAT START TO THE SUMMER** It has been a great four day week at school and it's been lovely to see everyone keen to be back after a good break. The whole school theme is "The Earth". Early Years are focussing on "The Earth - Habitats" and Year 1 and 2 on "The Earth - Our Home." Topic maps will be on the website shortly, so do check out the great ideas. Mrs Mountain has joined the school for this term, teaching alongside Mrs Fenwick.

**PARENT QUESTIONNAIRE** We had four Marshchapel responses to our questionnaire. The results were very positive and alongside the parent suggestions made at Grainthorpe, we will be act upon these at both schools. You don't have to wait to be asked for your opinions though, do let us know if we can help with anything.

**PARKING OUTSIDE SCHOOL** Thank you for making use of the parking available in the village and steering clear of the zig-zag zone. Both the village hall and the White Horse car parks are available for your safer parking experience.

**ST GEORGE'S DAY** It was lovely to see so many princesses, knights and dragons on Tuesday. It was a lovely way to start the term with a celebration of England's patron saint. It wasn't just the children who dressed up! The learning was focussed around the legend of St George and there were some super versions of the tale.

**NEW SCHOOL MEAL PROVIDER** Our new school meal provider, The Farm Kitchen, will be offering a Tasting Session at Marshchapel Infant School from 3:15pm on Thursday 9th May. All parents, pupils and staff invited! More details to follow.

**STARTING JUNIOR SCHOOL** A letter went out yesterday explaining the need for parents to apply for a bus place for Year 2 children starting at Grainthorpe Junior school. Please apply if you wish your child to use the bus in Year 3. Miss Brown will be happy to assist if you would like further details.

## DATES FOR YOUR DIARY
