

MARSHCHAPEL MESSENGER

Keeping parents, friends and families informed

Friday 10th May 2019 (Ref - T5 W3)

YUCKY WORMS IN CLASS! Our nursery and reception children have been looking at all things wormy this term! Carefully observing the worms in the class-made wormery, has led on to lots of fun activities like making salt dough worms, counting worm games and posters for looking after our annelid friends.

AMAZING ARCHERY AND DYNAMIC DODGEBALL

Our year one children ventured to North Thoresby last week to take part in the Premier Sport inter-school challenge. Out of the six schools taking part, Marshchapel won! Well done to our amazing team of players!

PARKING OUTSIDE SCHOOL Thank you for making use of the parking available in the village and steering clear of the zig-zag zone. Both the village hall and the White Horse car parks are available for your safer parking experience. We are still receiving complaints about parents using the private road opposite - please do not upset our neighbours.

TASTY TASTER SESSION! Yesterday, The Farm Kitchen shared some tasty offerings from the varied menu they will be offering after half term. Thank you for all those who attended the session and tried the meals. Comments ranged from "delicious" to "what a lovely choice!" and it was nice to see so many children tucking into the pots of food. You can create a new account at www.hotschoolmeals.com

STARTING JUNIOR SCHOOL If your Year 2 child is starting at Grainthorpe Junior school in September, please apply for a bus pass. Miss Brown will be happy to assist if you would like further details.

DESIGN A POSTER AFTERNOON As part of the efforts for Marshchapel to become the Best Kept Village, we have been asked to design posters to display around the village to help. If you can spare an afternoon, we will be designing and making posters on 22nd May from 1:30pm. Hope to see you there.

Have a great weekend!

Mrs A Turner, Executive Headteacher
