

MARSHCHAPEL MESSENGER

Keeping parents, friends and families informed

Friday 23rd May 2019 (Ref - T5 W5)

ANOTHER BUSY TERM A huge well done to the Year 2 pupils who completed their KS1 SATs this week. We are very proud of all of the children who have shown resilience and determination all year tackling the challenges of the year 2 curriculum. The staff have pulled out all the stops to ensure the tests are just part of the normal routine. Following the SATs, they have enjoyed a well-deserved treat watching a movie and enjoying some sweet treats.

MINI BEASTS We welcomed some unusual creatures in to school this week, as part of our topic on the Earth: Our Home. The focus on the rainforest, life cycles and habitats was brought to life when Dr Stuart from Meet the Beasts shared many interesting animals, including a hissing cockroach and Geoff the snake. The children really enjoyed connecting their learning and research to real animals and extending the knowledge and understanding further.

PARENT GOVERNOR VACANCY We are still looking for someone to help shape the future of learning within the two schools. As a parent, you will bring a crucial dimension to the governing body. If you have a child at either school, you are eligible to be a governor. Ask in the school office for more information.

FARM KITCHENS A reminder that school lunches are now ordered online with our new supplier—www.hotschoolmeals.com. You will have received a flyer regarding their theme days over the next term, including the curiously named Courgette Challenge and Pineapple Day. More information will be sent nearer the time.

DATES FOR YOUR DIARY

- 13th June Ignite Games - sporting event with local schools
- 14th June Group Photos
- 18th June Sports Day (further details to follow)
- 27th June Class Transition Day
- 10th July Visit from Charlie's Hedgehog Care
- 12th July Pupil Reports Distributed
