

What a super end to the Autumn Term with so many Christmas events.

At Grainthorpe, there was the added excitement of the lost recording of *The Snow Queen*. Being the real troopers they are, the children brought back their costumes on the last day of term, and soldiered on for one final performance. This incredible recording can be accessed on the link you will find on Class Dojo. I think it is better than the original recording! A huge well done to the actors, the singers, the stage managers, parents/carers for supplying props and costumes, and of course the teaching team who brought this to life.

At Marshchapel, *A King is Born* was performed with great gusto by everyone from the tiniest nursery child to the most confident year two. Another huge well done to the team for arranging a super show for families to enjoy; the link has been sent on Tapestry.

Thank you to all the children who sang in St Mary's Church yesterday evening. What a fabulous group you were. The church was filled with your dulcet tones and you brought the congregation alive! A lovely festive event.

Yesterday was also our Christmas lunch day and we had a special visitor. Santa wanted to try out his sleigh before the reindeer get to work next week - so he came to school with a tractor escort. I know the children at Marshchapel were ecstatic to get to meet him!

(Left) After a busy morning playing Mary, it was great to sit down to a Christmas dinner!

(Below) The Snow Queen with Her Sprites.

We wish you all a Merry Christmas and a Happy New Year!

See you again on Tuesday 4th January.

Stay safe.
