

## **Equality Statement and Objectives**

At Grainthorpe Junior School, we are committed to ensuring equality of opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, sexual orientation, age or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and ability to participate fully in school life.

We tackle discrimination through the positive promotion of equality, by challenging bullying and stereotypes and by creating an environment which champions respect for all.

At Grainthorpe Junior School, we believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit us.

Our approach to equality is based on the following key principles:

1. All learners are of equal value
2. We recognise and respect difference
3. We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
4. We observe good equalities practice in staff recruitment, retention, and development.
5. We aim to reduce and remove inequalities and barriers that already exist.
6. We have the highest expectations of all our children.

To further support pupils, raise standards and ensure inclusive teaching, we

have set the following objectives:

Objective 1: To monitor and analyse pupil achievement by race, gender and disability and act on any trends or patterns in the data that require additional support for pupils.

Objective 2: To raise levels of attainment in core subjects for vulnerable learners.

Objective 3: To review levels of parental and pupil engagement in learning and school life, across all activities to ensure equity and fairness in access and engagement.
