

## **Marshchapel Infant School Sport Premium for 2019-2020 Impact**

Maintained schools must publish information about their use of the premium on their website by the end of the summer term or 31 July at the latest. Schools must publish:

- the amount of premium received
- a full breakdown of how it has been spent (or will be spent)
- what impact the school has seen on pupils' PE and sport participation and attainment
- how the improvements will be sustainable in the future
- what percentage of pupils within their year 6 cohort for academic year 2018 to 2019 can do each of the following:
  - swim competently, confidently and proficiently over a distance of at least 25 metres
  - use a range of strokes effectively
  - perform safe self-rescue in different water-based situations

(The fifth point does not apply to Marshchapel Infant School)

### **What is PE Sport Funding?**

The Government provides additional funding for physical education (PE) and sport in schools. This funding aims to improve the quality and breadth of PE and Sport participation and achievement across the whole school. It will provide new opportunities and activities, ensuring we allow all children as many chances as possible to develop healthy lifestyle choices, have ambition to reach their potential, learn new life skills and build their teamwork and leadership skills. Through this investment, as well as an increase in active participation, we will see an enjoyment of a wider range of sport and physical education through a variety of activities and experiences.

### **How to use the PE and Sport Premium**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means they should use the premium to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years
- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs.
- run sport competitions
- increase pupils' participation in school games
- run sports activities with other schools

### **What does the Sport Premium mean for Marshchapel?**

*'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).*

At Marshchapel, we believe all children should take a fully active part in sports and know how this relates to a healthy lifestyle. Every child will leave our school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Physical Education is an integral part of the curriculum and clubs at the school. Children take part in competitions and activities through the local sports partnerships. Despite the school's small size, we successfully compete against much bigger schools in our local cluster, which is a testament to the ongoing commitment to health, sport and fitness across our school.

### **School Objective:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The Primary Sport Premium continues to help develop the PE and sports activities that our school already offers. It is helping to make improvements that will benefit pupils joining the school in future years. Examples at our school are as follows:

- hiring qualified sports coaches to work with teachers (Premier Sports)

- providing existing staff with training or resources to help them teach PE and sport more effectively
- introducing new sports or activities and encouraging more pupils to take up sport
- taking part in sport competitions and running sports activities with other schools through Premier Sports
- offering lunch time and after school clubs
- working closely with KYRA East Schools to participate in sporting events
- providing transport costs to fixtures, allowing pupils to attend many sporting events
- working across our federation

During the school day, children regularly take part in active learning. We plan to introduce the Daily Mile so every child (and member of staff) gets active!

During 2018/19, we developed inter-house sporting challenges and this is something that will evolve further during 2019/20.

### **Evidencing the Impact of the School Sport Premium**

The following guidelines outline what the Ofsted Inspectors will be looking for upon their visits. For every 'Action' that you as a school offer your children, you must ensure that you can evidence it against the criteria below. Please use the numbers below as a 'key' in the 'requirement achieved' column.

Inspectors have been asked to consider the impact of the primary school sport funding on pupils' lifestyles and physical well-being by taking into account:

1. The increased participation rates in such activities as games, dance, gymnastics, swimming and athletics;
2. The increased knowledge of teachers within the subject area through CPD, team teaching and access to resources;
3. The increased amount and success in competitive school sports both inter and intra school;
4. The more inclusive physical education curriculum;
5. The growth in the range of provisional and alternative sporting activities (new sports);
6. The improved partnership working on physical education with other schools and other local partners (School Sport Associations, NGB's, County Sports Partnerships, clubs etc);
7. The links with other subjects which contributes to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. The greater awareness amongst pupils around health and wellbeing e.g. dangers of obesity, smoking and other such activities that undermine pupils' health;
9. The improved physical education lesson planning and pupil assessment.

**MARSHCHAPEL INFANT SCHOOL SPORTS PREMIUM ALLOCATION FOR 2019-20 £16,348**

<b>Action</b>	<b>Description</b>	<b>Cost</b>	<b>Desired Impact</b>	<b>Area of Evidence</b>
